CASE SOPPRESSE IN ORDINE DI DENOMINAZIONE (1998)

NOTA: L'elenco qui riportato è ricavato sia dai dati d'archivio che dagli Elenchi generali della Società.
Si tratta di un elenco di case esistite e poi chiuse, non ancora completo. Tra l'altro, mancano ancora precisazioni su molte date di erezione canonica e di chiusura, che dovranno essere verificate in Archivio.

Per la lettura si tenga presente:

- 1) La data d'inizio è indicata nel Codice (CA=case 1800; CB=case 1900)
Es. CA94.. = 1894 / CB48.. = 1948
- 2) Dove il campo "Data_erez" è vuoto, significa che si tratta una presenza non canonicamente eretta
- 3) Dove (in "data_chius" c'è solo l'anno, senza mese e giorno, vuol dire che la data di chiusura è ricavata dagli Elenchi, non precisata..
